Dear Ms. Henderson:

Per your conversation with our Mrs. Karen Giesige, please be advised that Nuturn ceased production operations at its Paulding, Ohio facility on Friday, February 29, 1980.

Nuturn has no plans to resume production activities within that facility and, as a matter of fact, we will be working with community leaders to assist them in finding an alternate employer for the physical building.

When you have officially closed any files, we would appreciate being notified to that effect.

Sincerely,

LARRY J. HATFIELD
Vice President and General Manager
